

POWERBOATING

Powerboats provide speed, excitement, versatility and fun. It's a great way of spending time afloat whilst exploring a variety of locations in Britain and Europe. We offer powerboat training from our RIBs at Brighton Marina or we can teach you on your own boat. We have a small team of instructors and keep course numbers to a minimum thus maintaining quality and keep training informative and enjoyable. If you are receiving own boat tuition we can be flexible and work around your schedule.

Learn to Powerboat Package

£585 / £610

Prerequisite: None

We have put together a training package offering theoretical and practical training. This includes: Basic Navigation & Safety Course, Powerboat Level 2 Course and GMDSS Radio Course. Lagoon Powerboat Training Packages combines all the essential courses to increase your competence as a powerboater and you will SAVE £156 on individual course rates.

Course Objective: Solid grounding in powerboating. You will be able to plan and execute short coastal passages by day.

RYA Powerboat Level 1 & 2 / ICC (2 Days)

£275 / £299

Prerequisite: None

This course teaches the skills necessary for owning or hiring a powerboat both in the UK and abroad. The syllabus includes:

- Launching & Recovery
- Man Overboard Procedure
- Engine Checks
- Buoyage
- Communication Afloat
- Confined Space Manoeuvring
- Anchoring
- High Speed Handling
- Basic Chart Work
- Emergency Procedures
- Mooring
- Towing
- Collision Regulations
- Tides

Course Objective: You should be a self-sufficient powerboater in the right conditions.

RYA International Certificate of Competence (ICC)

It is a requirement in most European countries that boaters hold their ICC when using both the coastal and inland waterways. You can gain your ICC by completing the Powerboat RYA Level 2 course. We also offer direct assessment days, which entail practice followed by the test. The ICC assessment will cover:

- Rules & Regulations
- Manners & Customs
- Safety
- Pilotage & Navigation

Course Objective: You will hold an ICC license.

RYA Intermediate (2 Days)

£325

Prerequisite: Powerboat RYA Level 2

An excellent course for powerboaters looking to broaden their horizons. This course includes planning and executing a passage. Subjects covered are:

- Planning A Day Cruise
- Boat Handling & Preparation
- Pilotage
- Passage Making
- Navigation
- Man Overboard

Course Objective: You will be able to plan and execute short coastal passages by day.

RYA Advanced (2 Days)

£345

Prerequisite: Powerboat RYA Intermediate

This course includes the advanced handling skills, seamanship and navigation to drive a powerboat by day or night in coastal waters. An additional exam will enable you to operate boats commercially. Subjects covered are:

- Preparations For Sea
- Pilotage
- Use Of Engines
- Boat Handling
- Meteorology
- Emergency Situations
- Passage Making
- Rules Of The Road
- Night Cruising

Course Objective: You will be able to plan and execute coastal trips and return to a familiar port by night.

Own Boat Tuition

Please call

Prerequisite: Beginners to Advanced

Lagoon Watersport's expertise can also come to you! An instructor can teach onboard your own powerboat in any location along the south coast. At your convenience you will be able to brush up your skills or complete an RYA practical course quicker on your own boat to whatever desired level.

Rides

We offer thrilling high speed power boat rides on our high speed RIBs (pictured below). These rides are suitable for age 8+. For the real thrill seekers we also offer the extreme Thunder Cat powerboat experience. For full details please go to page 24, www.lagoon.co.uk or call us on 01273 424842

MOTORBOATING

If the prospect of leaving a marina along the South Coast after breakfast and arriving in a quaint French port for a fabulous seafood lunch excites you, then motor cruising could be for you! Whether you are a first-timer wanting to get to grips with your first boat, or a more experienced Skipper wanting to expand your skills, we have an RYA course for you. You can either complete an RYA course on your own boat or on our Rodman 41 Flybridge Cruiser (with IPS drives).

RYA Helmsman Certificate (2 Days)

£499 / £574

Prerequisite: None

This course is ideal for motorboat owners who need practice boat handling in a Marina. The course covers:

- Boat Preparation
- Boat Handling
- Operation & Maintenance
- Safety & Seamanship
- Rules Of The Road
- Securing To A Buoy
- Berthing Alongside
- Man Overboard Recovery

Course Objective: You will be competent to handle a motor cruiser of a specific type in sheltered waters.

RYA Dayskipper (4 Days)

£799 / £874

Prerequisite: 2 days of practical experience on a motor cruiser/ /Day Skipper Theory or Equivalent

This course can help you get the best from your modern electronic aids such as GPS and radar, which are standard equipment on modern motor cruisers. The course covers:
