Real qualifications Real education Real future...

How will I learn ?

The course encompasses NGB Instructor qualifications and is a very practical course. You will study 3 days per week over the 2 year course. Half the time will be at Newman College and the other half at Hove Lagoon..

BTEC Level 3 Sport

The BTEC Level 3 Sport (Outdoor Adventure) has a special emphasis on the practical approach to studying to achieve success.

As an RYA (Royal Yachting Association) training centre, Lagoon Watersports will draw on over 20 years of experience to provide training and qualifications across a range of outdoor adventure disciplines.

As well as offering a high level of vocational training, the BTEC also gives you a direct route to university or gives you the skills and qualifications that you require to go straight into employment. For those who strive for a learning experience which is not confined to the classroom, this hands on course really does allow you to develop the skills you need to get on in life.

Engaging and inspiring, these work-related qualifications are suitable for a wide range of ages and abilities. They provide a practical, real world approach to learning without sacrificing any of the essential subject theory. BTEC's give students the skills they need to either move on to higher education or go straight into employment.

This course has been designed to provide qualifications that will enable students to build a career in the outdoor and leisure industry specialising in watersports.

Build your career

The BTEC Level 3 Sports (Outdoor Adventure) gives you the opportunity to experience.

- Sailing
- Windsurfing
- Cable Wakeboarding
