Kids Beach Club

Your journey starts here...

Under 18's can enjoy watersports without needing to buy any equipment. Join our Club and kids can play on the water to their hearts content. The kids membership works pretty much like the adults membership.

Lagoon Beach Club provides everything youngsters need to have a great time on and by the water. Beach Club members can ride the wakeboard cable, hire windsurfers, sail boats, SUP, and kayak on the lagoon.

The Cub is designed primarily for watersports practice. We recommend kids take beginners lessons in at least one activity before joining. For safety reasons there are basic ability requirements in place for hiring most equipment.

Existing members will find it cheaper to add their children to their existing membership rather than join them individually.

Child Care Vouchers may be used to purchase Kids Club Memberships.

General Info

Your journey starts here...

Wakeboarding

We want you to get as much out of your membership as possible however we need to be realistic about how much wakeboarding you are likely to get within your membership. We have designed some very simple rules to help make sharing the availability fair for all. It is unrealistic to expect to be able to wakeboard every weekend or every day within our membership scheme.

- You may book up to 2 wakeboard ride slots per day, except Sunday which is 1 session per day.
- You may only book up to 4 wakeboard ride sessions in advance.
- Additional slots can be booked at a cost of £10 per session.

Many members get over 60 sessions a season. We have set this scheme up to provide you with about 40 sessions a season.

If you can't find a session please contact us and we will do our best to find you a slot to ride. We will give priority to those people that have ridden the least.

Sea Hire

Club members and Flexi Pass holders with suitable Windsurfing, Wing or Stand Up Paddleboard (SUP) experience are able to hire equipment on the sea.

There is also an option for Club Members to take equipment to other venues. (depending on ability)

Users MUST take FULL responsibility for themselves and the equipment. No safety cover is provided. The advantages include:

- Windsurf, Wing or paddle on the sea out side of instructor led sea clinics
- Take Away Hire enables Club Members to take away Windsurf, Wing or paddle equipment to other venues
- Take Away Hire enables Club Members to go on the sea from Hove Lagoon When we are closed. (Eg an early morning SUP paddle)

For safety reasons there are ability pre requirements, essential responsibilities and basic safety measures that you are required to take. You get lots of freedom. However Lagoon Watersports takes no responsibility for your safety. You need to make sure you are ready for that.

Sea Hire is open to all Club Members and Flexi Pass holders that meet the pre requirements and have signed an additional disclaimer that is counter signed by a Duty Manager. Take Away Hire is available to all Sea Hire members except intermediate windsurfers.

We will not refund a membership for any reason including job relocation and moving away from the area.

Cooling off period : You may cancel this agreement within 14 days of signing, subject to paying an admin fee of £50 plus the cost of any sessions you have taken at our published non members rates. eg If after 10 days you decide membership is not for you and you have wakeboarded 4 times you can cancel your contract by paying £50 plus the cost of the 4 wakeboarding sessions. If you have paid in full upfront we will refund you the difference.

After 14 days you cannot cancel this agreement and are liable for the full membership fees.

Membership gives you the best value. But you need to be using the club facilities over 20 times a year.	For less regular users a Flexi Pass may be a better value.

I have been a regular user of Lagoon Watersports for some years. I always get a warm welcome,they have a young team of instructors for windsurfing, wakeboarding and stand up paddle. Tuition is second to none, with safety and fun top of their list. I often attend the Sunday windsurfing clinics which have helped me progress greatly.

I can't think of anywhere else I want to be in my spare time." *Mike Watts.*

"Lagoon Watersports is a great watersports venue and club, with really good facilities and equipment, and a good café too. The staff are always friendly, professional and welcoming. It's a great place for beginners as well as experienced watersporters. I love it." *Dominic Glover*

"I absolutely love Lagoon and people there so will definitely be back the next season!" *Edita Kulipavičiūtė*

"I just wanted to say how much I've loved my hire membership at the lagoon" *Katherine Skinner*

"I currently am a member of the SUP club and would like to say what a great summer I have had down at Hove Lagoon learning to SUP, taking part in the social sessions, learning to windsurf and taking a kayak onto the sea.Learning to SUP has been one of the best things that I have ever done"
