WING FOILING

LEARN

Learn to Wingfoil | [Learn - Improve - Progress](#)

Wing Foiling is a new exciting watersport.

- Great fun
- Addictive
- Exciting
- Challenging

It really is important to get some proper tuition as whilst being quite accessible the learning curve is quite steep and there are important safety measures to take to ensure you learn fast, stay safe and smiling. Our courses are run by RYA Wing Foiling Instructors on Hove Lagoon and the sea.

The thrill of foiling is very addictive, but it is not something you are going to master in 5 minutes. We highly recommend choosing one of our Learn to Wingfoil Package.

The learn to WingFoil package is made up of three sessions, **Taster, Improvers courses** and **Progression Tow Clinic**. These courses will give you a great induction to wingfoiling..

The process of learning to wing foil is essential divided to two main sections, off foil and on foil. Learning the skills of controlling the wing and board without getting onto foil is absolutely essential and is covered in our Taster and Improvers. The second half of the journey is about getting onto the foil and this is covered in our Tow Foiling progression Clinic followed by Intermediate Clinics (First Flights) clinics.
